LOI # B06251: Interpreting Services (MPA # 54)

Submission Deadline: 25 May 06 @ 2:00 PM (EDT)

Vendor Questions / State Responses:

I would like to pose the following questions related to the LOI mentioned above.

1. Rates. Discussion of the Cost Proposal mentions "hourly rates". For some types of interpretation services that are shorter in duration, and can be handled via telephone interpretation, per-minute rates are typically used. Is that acceptable?

YES.

2. Given the wide range of agencies potentially included under this contract, can tiered rates be included to account for specific quality levels of interpretation (i.e. medically or court certified) versus standard?

YES
